

# DROUGHT PREPAREDNESS FOCUS GROUP

At your tables, please discuss the following questions. Please have an individual at your table keep notes of the discussion and hand these notes in to Jeremy Pittman at the end of the exercise.

- 1) How do you perceive drought and what does drought mean for your livelihood?**
- 2) What sorts of things do you do to deal with and prepare for drought?**
- 3) What sorts of things can we do to help prepare for droughts in watersheds across the province?**
